

Curriculum Information for Parents / Carers

Dear Parents / Carers (existing & prospective new students)

As a school for students who have special social, emotional, educational and/or additional complex needs and interests, we are committed to modifying our curriculum to match these on a personalised / extended basis wherever practically possible.

Due to this, on our website we are limited to just showing you examples of our needs led constantly evolving and developing general curriculum.

If you require further information on how we can or do match your son's specific curricula needs, please do not hesitate to contact either of our Heads of Teaching & Learning direct at the school:

or

Ross Davage
