

Marland School PRIMARY SCHOOL P.E. AND SPORT PREMIUM STATEMENT 2016-18

Introduction

Given the complex SEMH needs of our students and the small group sizes we work with, traditional P.E. is often not fully appropriate to our students' needs.

A significant proportion of our PE equivalence is delivered via the Outdoor Learning and associated leisure activities (utilising a broad range of on and off site provision). With this programme the emphasis is on individual and small group activities (including swimming), incorporating self-esteem, team building and other social skills development.

Access to 'after school' clubs is often limited by accessibility or due to Risk Assessment limitations. The use of this funding is therefore targeted at allowing our primary age students greater access to our enhanced 'in-house' programmes and to enable staff to meet the diverse personalised needs of individual students.

Main objective: To facilitate and enhance the delivery of appropriate P.E., Outdoor Learning and Leisure Activities Education to primary age students through the purchase of additional age / motivational interest appropriate equipment and resources.

PRIMARY SCHOOL P.E. AND SPORT FUNDING STATEMENT 2016-17				
Total Whole School Grant:		£2,000		
Expenditure linked to this Grant:		£2,161.98		
DAY SCHOOL	Item	Cost	Rationale	Impact
£1,500	Surf Kayaks: 2x tandem sit-ons + 2 x single sit-ons + assorted equipment	£1,528	To extend the range of opportunities for our KS2 students to experience new activities; these watercraft will allow them to access a variety of water including coastal areas, rivers and lakes.	Students acquire new healthy skills and increased self-esteem / confidence. Positive impact on accessing their learning and on self-managing their behaviour.
	Assorted sports equipment for a range of Forest School activities.	£235	Our KS2 students have identified Forest Schools as a physical activity they really benefit from. This equipment allowed them to develop one of their favourite physical activities in the school woods.	Developed and improved team work skills. Improved relationships in the classroom leading to a decrease in interruptions to lessons due to negative social interactions.
DAY SCHOOL TOTAL:		£1,763		
RESIDENTIAL SCHOOL	Item	Cost	Rationale	Impact
£500	Pair of Lockable Samba Football Goals	£199	Increase in popularity of Football in KS2 students, encourage / improve access to this sport on site.	Improved motivation and engagement in Football and the associated teamwork skills and benefits linked to this nationally relevant / important sport.
	10 x Size 4 Footballs	£99.99	As above - developing access to the game	
	10 x Size 5 Footballs	£99.99	As above – Developing skills further	Acquisition of new skills leading to improved levels of self-confidence and positive impact on their learning / behaviours
RESIDENTIAL SCHOOL TOTAL:		£398.98		

Projected Spend Plan for 2017-18:

PRIMARY SCHOOL P.E. AND SPORT FUNDING STATEMENT 2017-18				
Total Whole School Grant (based on January census data):		£2,000		
Expenditure linked to this Grant:		£2,003 (projected)		
DAY SCHOOL	Item	Cost	Rationale	Impact
£2,000	5 x Swell Surfboards	£950	These boards have enhanced stability and are made of a high quality extremely soft low density foam. They are ideal for very young learners to use during their seasonal surfing / outdoor learning programme.	KS2 Students acquire new healthy skills and increased self-esteem / confidence. Positive impact on accessing / engaging with their outdoor learning opportunities. Positive impact on their ability to control and manage their behaviour.
	2 x Metal Detectors	£350	Provision of 2 high quality waterproof metal detectors as a motivator to positively engage KS2 students who are reluctant to engage with the more physical outdoor learning opportunities. This offers an physical (walking) alternative to more traditional team based sports which some of our complex needs SEMH students find difficult to access.	
	General outdoor learning equipment: - 2 Way Radios - Changing robes - Wetsuit boots & gloves - Waterproofs - Cross country RC trucks	£703	Provision of additional KS2 age / interest / size appropriate Outdoor Learning equipment to try to 'hook in' the more reluctant KS2 OL students with healthy physical activities such as moor walking / hiking, orienteering, surfing & swimming.	
DAY SCHOOL TOTAL:		£2,003		
RESIDENTIAL SCHOOL	Item	Cost	Rationale	Impact
£0				
RESIDENTIAL SCHOOL TOTAL:		£0
