Application Process

1. Referral from the DCC commissioners (DCC LA 0-25 SEND Team)
2. Comprehensive application reports compiled by the DCC commissioners and referred to the School
3. Analysis of the application reports by the school to assess eligibility and suitability
4. If deemed potentially suitable, the following are undertaken (**if appropriate and/or where possible / feasible*):
 - a. Interview with senior staff at the school – student and parent/s (*ESSENTIAL*)
 - b. Informal pre-visit to Marland by parents/carers (** + pupil / student if appropriate*)
 - c. Observation visit by Marland staff to the current school (***)
 - d. Observation visit by Marland staff to home (***)
 - e. Discussion with existing link professionals involved with the student (***)
 - f. Feedback and recommendation from the school to the DCC commissioners (*ESSENTIAL*)
5. DCC commissioners make the final decision whether to commission a place at Marland School
6. If placement is agreed by the DCC commissioners the School set a start date (usually within 2 weeks of interview), detailing arrangements for transport (where appropriate)

Oversubscription Criteria

Prioritisation of pupil / student placement would be informed by / in full consultation with our Commissioners (DCC LA 0-25 SEND Team) and based upon the following criteria:

- Eligibility (age, designation, complexity & severity of SEND, gender)
- Match of resource to meet referred students' SEND
- Compatibility of referred student need to existing cohort needs
- Satisfactory risk assessment of any applicable Safeguarding and/or Health & Safety issues or needs
- Physical and resourced maximum capacity.
